Resolution Number: RF90-084  
September, 1990  
SENSE OF THE SENATE RESOLUTION  
CONCERNING PERSONNEL ACTIONS  
RF90-84  
At its meeting of November 27, 1990, the Academic Senate approved the following resolution concerning personnel actions:

WHEREAS  
The Academic Senate of The California State University in March 1985 approved a statement on "Collegiality in the California State University System," in which the Academic Senate CSU affirms that in faculty affairs, administrators "should decide contrary to faculty recommendations only if there is clear indication of violation of system or campus policies or clear indications that the faculty committee failed to consider relevant information . . .;" and

WHEREAS  
The American Association of University Professors in May 1990 published a "Statement on Government of Colleges and Universities," one of whose provisions states that "the governing board and president should, on questions of faculty status, as in other matters where the faculty has primary responsibility, concur with the faculty judgement except in rare instances and for compelling reasons which should be stated in detail;" and

WHEREAS  
The San Francisco State University faculty, in the recent referendum, affirmed its expectations that the Vice President for Academic Affairs and the President will respect the judgement of the faculty in the peer review process; therefore be it

RESOLVED  
That it be the sense of the San Francisco State Academic Senate, in all tenure-track faculty hiring, retention, tenure and promotions decisions where there exist positive recommendations by all parties required to make recommendations, except on the part of the Vice President for Academic Affairs, that the Vice President for Academic Affairs and the President follow the spirit of the AAUP and the ASCSU by supporting such recommendations; and be it further
That it be the sense of the San Francisco State Academic Senate that in instances when the Vice President for Academic Affairs or the President do not support unanimous recommendations, then they should detail their compelling reasons in writing and communicate them to all parties to the process.
