### **RESOLUTION HONORING DR. YUKIHIRO GOTO AND**

#### **THE OFFICE OF INTERNATIONAL PROGRAMS**

**Whereas**, Dr. Yukihiro Goto was appointed Resident Director of Japan for the Academic Year 2010 2011; and

**Whereas**, Dr. Goto provided exceptional leadership in contacting, supporting, and counseling students and arranging for their safe repatriation back to the U.S.; and

**Whereas**, Dr. Goto stayed with his students until they were all repatriated back to the U.S. which resulted in his missing the funeral of his father who passed away in Japan around the time of the earthquake; and

**Whereas**, the CSU Office of International Programs recognized that Dr.Goto's leadership was crucial in addressing the students' concerns and needs around the suspension of the Japan program; and

**Whereas**, the CSU Academic Council for International Programs (ACIP) passed a resolution recognizing Dr.Goto's service and leadership which will be forwarded to the Chancellor, Board of Trustees; and President Robert Corrigan; and

**Whereas**, the SF State Office of International Programs took immediate action in contacting all registered students from Japan and in accounting for all SF State students in Japan for the CSU IP or bilateral programs within hours of receiving news about the earthquake; and

**Whereas**, the OIP convened a meeting of the 178 students from Japan, some of whom were from Sendai, currently registered this Spring semester to offer support and counseling services; and
