COVID-19 and Our Campus

Your health and safety is our paramount concern at SF State. During the COVID-19 pandemic, every member of our Gator community is expected to do their part in keeping fellow students, faculty, and staff safe and well. Feeling well and safe will support you in focusing on your academic success.

For the limited number of classes meeting face-to-face, In-person class attendance is an option, but not a requirement. Students who do not wish to or are unable to comply with these requirements will be allowed to take the class virtually or provided with other remote options for course completion.

Please consult the campus plan website [https://news.sfsu.edu/campus-plan](https://news.sfsu.edu/campus-plan) for up-to-date information and explanation of requirements. For all students attending in-person, the following are required:

1. Wear a face covering when around other people outside of those in your household.
2. Stay at least 6 feet physically distant from people outside the members of your household.
3. Stay home if you have one or more symptoms of COVID-19 (Please check in with the SF DPH website for the most up-to-date symptoms & testing: [https://www.sfcdcp.org/wp-content/uploads/2020/04/GetTestedSF-Eng-052920...](https://www.sfcdcp.org/wp-content/uploads/2020/04/GetTestedSF-Eng-052920...))
