Academic Senate Policy #S11-261

TEMPORARY SUSPENSION:

ACADEMIC POLICY #S94-190: POLICY RESOLUTION ON THE DESIGNATION OF COLLEGES AND THE REDEFINITION OF SCHOOLS AND DEPARTMENTS

RATIONALE

We recommend that Academic Policy S94-190 be suspended until December 31, 2011. The reason for suspension is that the faculty are considering a referendum to restructure the university, which might create schools that do not conform to all of the characteristics of a department/school as outlined in this policy.
