Academic Senate Policy #S11-262

SAN FRANCISCO STATE UNIVERSITY

TIME LIMIT TO COMPLETE REQUIREMENTS

FOR UNDERGRADUATE DEGREE

Policy statement

There is normally no statutory period for units required for an undergraduate degree at SF State. However, if any course required for the major, minor, or certificate was taken more than seven years prior to graduation, then departments and programs may require students to retake that course or demonstrate currency in that subject. This policy shall be included in the bulletin. Departments are encouraged to communicate this policy in their advising.
