Resolution Number: RF02-198  
September, 2002  

Resolution Supporting Voter Registration Campaign at SFSU  

#RF02-198  

Whereas the many forms of government with which human beings have experimented, democracy remains the best of the alternatives, and  
Whereas the heart and strength of an open society result from widespread participation in civic matters of those eligible to participate, and  
Whereas The most fundamental form of that participation is voting in national, state, and local elections, and  
Whereas The California Faculty Association will be conducting its 5th non-partisan voter registration campaign at SFSU from October 7-21, 2002, and  
Whereas President Robert A. Corrigan has consistently encouraged faculty to participate in this non-partisan civic activity, and  
Whereas The federal reauthorization of The Higher Education Act of 1998 requires all post-secondary institutions to make good-faith efforts to participate in voter-registration, and  
Whereas By participating in voter registration, faculty can model the commitment to the society beyond the University that we encourage in community service learning courses, and  
Whereas Many thousands of SFSU students, faculty, and staff have registered or re-registered during such campaigns in prior years, therefore be it  

Resolved That the SFSU Academic Senate strongly endorse the non-partisan voter registration campaign of fall 2002, and be it further  

Resolved That
the SFSU Academic Senate publicize the dates, times, and places of the voter registration campaign, and urge all faculty to do the same in their classes, and be it further

Resolved That

the SFSU Academic Senate invite all faculty members to participate in staffing voter-registration tables during the voter registration campaign
