

**Resolution Number:** RF08-269  
September, 2008

## **ACADEMIC SENATE RESOLUTION**

**#RF08-269**

### **Resolution to Temporarily Suspend Changes in**

#### **General Education Curriculum**

**WHEREAS**, San Francisco State University is in the midst of a major review of its

baccalaureate graduation requirements by the Graduation Requirements Task Force (GRTF), including general education, and the timeline is for the GRTF to submit its report by spring 2009; and

**WHEREAS**, The General Education requirements and curriculum could change

substantially as a result of the GRTF's recommendations; and

**WHEREAS**, Departments and faculty could put in extensive work on proposals that would no longer be in effect if the new General Education recommendations are adopted; therefore be it

**RESOLVED**, By the Academic Senate of San Francisco State University that with the exception of submissions of complete proposals made prior to October 15, 2008, no changes be made to the General Education curriculum until after the GRTF report has been acted upon by the Senate; and be it further

**RESOLVED**, That from October 15, 2008 until implementation of the new Baccalaureate degree requirements, the General Education Council be charged with reviewing the complete proposals submitted prior to October 15, 2008, and further with providing feedback to the GRTF regarding the draft of proposed changes to the GE requirements/curriculum.

**\*\*\* Approved by the  
Academic Senate at its meeting on September 23, 2008\*\*\***
