Resolution Number: RF93-126
September, 1993

RESOLUTION REGARDING
THE BOARD OF TRUSTEES' ACTION
IN APPROVING PRESIDENTIAL SALARY INCREASES

#RF93-126

At its meeting of September 28, 1993, the Academic Senate approved the following resolution regarding the CSU Board of Trustees' approval in principle of presidential salary increases:

WHEREAS The Board of Trustees of the California State University, at its meeting of September 15, 1993, approved in principle an average increase in presidential salaries of $25,000 (an approximately 20% increase); and

WHEREAS The State of California continues to be gripped by a major revenue and budgetary crisis; and

WHEREAS A widely publicized salary increase for California State University presidents could undermine public support for the system; and

WHEREAS The faculty and staff of the California State University have not received salary increases in the past three years; and

WHEREAS The major gap already exists between faculty salaries and administrative salaries in the California State University; and

WHEREAS Faculty and staff morale could be further diminished by a singular increase in salary for California State University presidents; and

WHEREAS Increases in presidential salaries without commensurate increases in faculty salaries could seriously hamper efforts to recruit and retain a superior faculty; and

WHEREAS The budget of the California State University is finite such that increases in administrative salaries require reductions elsewhere; therefore be it

RESOLVED That the Academic Senate of San Francisco State University urge the Board of Trustees of the California State University to rescind its decision to increase presidential salaries; and be it further

RESOLVED That the Academic Senate of San Francisco State University not to approve any percentage increase in presidential salaries during the 1993-94 academic year in excess of that granted to faculty and staff; and be it further

RESOLVED That the Academic Senate of San Francisco State University to take a position opposing any percentage increase in presidential salaries during the 1993-94 academic year in excess of that granted to faculty and staff.
