**RESOLVED** That by September 2000 an Ad Hoc Committee (a Task Force) will be established by the Senate to research the implementation of such a Master Calendar of University Events, and present the research to the Senate by the end of Fall 2000 for the implementation of a master university calendar which includes a daily listing of all submitted events; and be it further

**RESOLVED** That the Ad Hoc committee (Task Force) will continue through Fall 2000 to research the enrichment and expansion of the Calendar services and the necessary resources to begin implementing these by Spring 2001.
