RESOLUTION
ON TENTATIVE AGREEMENT

#RS-191

Whereas Faculty in the California State
University (CSU) have now been working without a contract for nearly a year;
and

Whereas Bargaining for a successor contract has
been dangerously adversarial even through the final stages of the fact-finding
process; and

and the CSU have now, after these long and arduous discussions, developed a
tentative agreement for a successor contract for teaching faculty, librarians,
and counselors in the CSU; therefore let it be

Resolved That the Academic Senate of San
Francisco State University applaud the Parties for addressing the numerous and
complex issues in language
that will produce more

equitable and dignified treatment of all faculty;
and further be it

Resolved That the Academic Senate of San Francisco
State University thank those individuals who committed themselves for many
months to the cause of faculty in the CSU and to the larger goals of higher
education in general; and further be it

Resolved That a copy of this resolution be sent
to the President of the CFA, the Chair of the Academic Senate CSU, the chairs
of the campus senates, the Chancellor of the CSU, and the Chair of the Board of
Trustees of the CSU.
