

Darlene Yee-Melichar, CHHS

I am seeking election to the CHSS Research and Professional Development Committee, and I would appreciate your support. I have served the CHSS and SF State as a member/chair of numerous committees. I am currently serving on the SF State Academic Senate Executive Committee (EXCOMM), SF State University Budget Committee (UBC), Academic Senate CSU Academic Affairs Committee, CSU Institute for Teaching and Learning (ITL) Advisory Board, CSU Advisory Committee on Services to Students with Disabilities, and many other campus and system committees. As you may know, I am strongly committed to shared governance, and I believe that we all benefit from the collaborative consultation that shared leadership ensures. I have been and will continue to be committed to the collective interests that our campus faculty, staff and students successfully represent. It would be an honor to serve on the CHSS Research and Professional Development Committee. I respectfully request your support—thank you.
